Additional Notes:

- Notebooks** The width of lines is important. Wide line ruling and regular line ruling are the same. Purchase thin notebooks rather than the oversized ones.
- Tissues** The school does not furnish tissues in the classroom. Students are asked to bring a box for classroom use.
- Crayons** The number indicated at each grade level is the suggested amount.
- Labeling** We ask that you label as many items as possible including pencils. Please check with your children to see if replacements are needed.
- Gym Shoes** All K-4 students need tennis shoes to participate. They need not be new but should not be the type which make black marks on the floors.
- Extra Shoes** Gym shoes can serve as the child's extra pair of shoes to be worn while inside the building. We are trying to reduce the amount of dirt on the classroom and library floors and carpets. These shoes should be left at school.
