

Bitty Basketball **is open to boys and girls** **grades K-4**

The primary goals of this program are to teach youth fundamental basketball skills and to progress into fun, organized and competitive scrimmages. This is a non-traveling league and is recommended for all students (K-4) including those that play traveling basketball. December is spent doing fun drills that work on fundamental skills like dribbling, passing and shooting. In January and February, offense and defense will be introduced into simple organized games. This program is run by Chad Hall, varsity boys' coach, and HS basketball players.
