The St. Croix Falls football program is excited to announce that we are continuing our full pads football for all students entering 4<sup>th</sup> - 6<sup>th</sup> grades. The SCF football booster club has helped purchase top quality Riddell helmets and shoulder pads for SCF youth football players. The high school football staff will have direct contact with the program assuring quality coaching that fits into the varsity program philosophy.

The focus of the SCF youth football program will be to develop the football skills of all players and improve the overall athleticism of all student athletes. All kids will play and have an opportunity to learn the fundamentals of different football positions.

When; Saturday Mornings, 10:00 – 11:30 am starting Saturday, September 9<sup>th</sup>. Other practices will be on September 16, 23, 30, October 7 at the football practice fields. We will play a game under the lights on the varsity football field on Friday, September 29<sup>th</sup> at half-time of the varsity football game versus Webster. Prior to the game the St. Croix Falls' Football Booster Club will be hosting a picnic for players, family, and friends from 4:45 – 8:30 pm. Football games will be inter-squad only and athletes will be grouped by size.
