Before & After School Care!

Want to believe it or not, the 2017-2018 school year is fast approaching! Make after-school plans now for your 4K through seventh grade child so they do not have to go home to an empty house. The SAINTS Kids Care Program, sponsored by St. Croix Falls Community Education, is an after-school enrichment, recreational, and leisure time program held at the St. Croix Falls Elementary School in the gymnasium, library, and on the playground (weather permitting.) The program is open from 6:30-7:45 am and 3:15 – 6:00 p.m. Monday through Friday on regular school days, for children in the St. Croix Falls School District. This service is for parents whose children need supervision before or/and after school. Activities will include games, creative play, arts and crafts, tutoring (upon request), special events, projects, and a wide variety of other enriching and fun activities. SAINTS Kids Care will provide:

- A safe, healthy, comfortable environment.
- Caring supervision by qualified adults and high school-aged students.
- A consistent group of playmates.
- Choices of a wide variety of wholesome activities.
- A healthy, nutritious snack.
- Lots of fun!

Students attending Dresser Elementary School may ride the bus to the St. Croix Falls Elementary School to make use of this service. This service will not be available on nonschool days or snow days. If the child is not picked up by 6:00 p.m. there will be a \$2.50 penalty for each five minutes after that time for added expenses.

The cost for the morning session is \$2.50 per day, per child. The cost for the afternoon session is \$4.50 per day, per first child in a family, \$4.00 per day for second child, \$3.50 per every child thereafter per day. This is a prepay, self-supporting program. You may choose your payment plan: daily, weekly, or monthly. We are flexible to help you.
