

Join the artists from Minnesota Makers for a super fun evening.

MANDALA ROCK PAINTING

Do you love Mandalas like we love Mandalas? They are everywhere lately and are widely used for relaxation through coloring, mosaics, and so much more. How about a night of relaxation with us? In our class, we will be painting mandalas on beach stones! This class will feature a presentation on Mandalas, their meaning, and history as well as many different styles of Mandalas that you can consider painting on your rocks.

Want to join us? The cost is \$37 and includes all of the materials you will need: natural beach stones, paints, brushes, and inspiration! You can make as many Mandala Rocks as you want in the time we meet. Keep them for yourself or give them away as gifts! Awesome for gardens! January 15th from 6:30 – 8:30 pm at the St. Croix Falls High School Art Room.

Preregistration is required – so gather your friends and call St. Croix Falls Community Education today at 715-483-9825 ext. 1406. Hope to see many of you there. Great for High School Students – Adults.
