

**Do your kids love to sing along to the radio
on their way to and from school?**

Are they always singing in the shower?

Is your child shy and lacking self-confidence?

Maybe you have yourself the next American Idol and maybe not. But this is for sure, your child will experience many

benefits through **Private Voice Lessons**. They will:

Build self-esteem. Learn study skills. Learn to focus. **Increase brain function.** Increase mathematical skills. **Build character.** Increase intelligence. **Increase listening skills.** Improve speaking and communication skills. **Develop presentation and leadership skills.** Develop creativity and artistic awareness. **Connect with others through music.** Express themselves through music. **Singing is FUN!**

Voice lesson payments are paid on a monthly basis, and are due the first lesson of each month. Payments for missed lessons cannot be refunded, but make-up lessons will be given when possible. In the event that the instructor cancels a lesson, or there is a snow-day, a makeup lesson is guaranteed, or payment will be credited to the next month.
