SUMMER SCHOOL

GRADES 4K-2

Dear Saints Families,

We are excited to offer summer school (on site at St. Croix Falls ES) for students who are NOW in grades 4K, K, 1, & 2. Classes will run from 8:30 - 11:50, Monday through Friday from June 9th-June 27th. Students will read, write, do math, and have some fun together! We have lots of fun visitors planned (a magician, a traveling zoo, a bug zoo, scientists and much more!) Honestly, summer school is a wonderful experience!

Breakfast is offered from 8:15-8:45.

Lunch is offered from 11:20-11:50.

All meals are free of charge. If you like, you can send a lunch as always or have your child wait to eat until she/he gets home.

For those who need Kids Care there is a separate and mandatory enrollment form for Kids Care.

Please register your student(s) for both summer school and Kids Care as soon as possible and not later than May 9th. It is critical that we have a head-count so we can hire staffing accordingly.

Please register EACH student SEPARATELY.

COURSE DESCRIPTIONS

GRADES 3-8

Outdoor Fun in the Sun

This class will emphasize outdoors games, activities, and FUN! Kickball, soccer, and capture the football just to name a few. Rainy days we will play basketball or use the climbing wall. Come outside with us... we'll have fun in the warm weather and sunshine! Students must wear tennis shoes and should bring a water bottle and sunscreen.

Cost: FREE Weeks 1, 2, 3

Bowling

This class is all about bowling! Have a few days of practice at Osceola Lanes in Osceola and then move on to tournament play. Rules of the game and bowling etiquette will be emphasized. Also -PRIZES!

Cost: \$20 Weeks 1, 2, 3

Catch the Big One Fishing

Attention all fishers or wannabe fishers... this is a class for you! Learn all the basics to fishing in Wisconsin, even the correct way to tell a whopper of a fish story. Bring a pole and get ready to wet a line because we're going fishin'!

Cost: \$10 Weeks 1 and 2

Advanced Fishing

Have you mastered the basics of fishing? Are you ready to learn new techniques from local fishing legend, Mr. Hanson? If so, sign up for this week of adventuring around Polk County in search of monster fish! Students may bring their own fishing gear, bug spray, and sunscreen.

For grades 6-8 ONLY

Cost: \$10 Week 3

COURSE DESCRIPTIONS

GRADES 3-8

Rocketry

This will be an introductory rocketry class. We will be learning about basic rocketry concepts and applying them to building and launching air powered rockets that have the ability to fly several hundred feet into the air and leave the launcher at speeds approaching 200 miles per hour. No prior knowledge is necessary for enjoying this course.

Cost: \$5 Weeks 2 and 3

Hiking and Biking **NEW**

In this class we will explore both the awesome hiking and biking trails in St. Croix Falls! Students will need to bring their bike to school for the week, as most days we will do a combination of hiking and biking, with a break in the middle. We will be putting on some miles, so please dress appropriately for the weather, bring a water bottle, and be ready to actively explore our town! Students must bring a multispeed bike that they are comfortable riding long distances on.

Cost: FREE Week 1

Hikes and Health Snacks **NEW**

In this class, we will be hiking the many, amazing trails that St. Croix Falls has to offer. There are trails everywhere in SCF just waiting to be explored! Additionally, we will prepare a healthy snack each day to enjoy while we are out on our adventures. Please dress for the weather, bring a water bottle, and be ready for activity, as we will hike all around our town!

Cost: FREE Weeks 2 and 3

GRADES 3-8

Hogwarts School

You have been accepted into Hogwarts School of Witchcraft and Wizardry!

Come in your best Hogwarts uniform, get sorted, and work toward the Hogwarts House Cup! Come explore the same subjects that Harry studied at Hogwarts: Astronomy, Care of Magical Creatures, and Potions. Learn how these subjects truly connect to our Muggle world! Join us and explore the amazing world of Harry, Ron, Hermione and of course... You Know Who.

Cost: \$20 Weeks 2 and 3

Star Athletes in Training **NEW**

This class includes the weight room training necessary for incoming 5th graders to use the weight room.

Throughout the week of this class, students will learn strength training skills and safety procedures. Students will also work on speed development, plyometrics, functional strength, and other general training to improve athleticism. To ensure growth, we will test some early metrics and post-test at the end of the week. We also plan to have some fun competitions both individually and as teams to increase the enjoyment of learning these new skills. This class is offered to middle school athletes to help them gain the tools needed for future success in their athletic endeavors! These are the building blocks for success in any sport you may already love!

****For grades 4-8 only****

Cost: \$5 Weeks 1, 2, 3

GRADES 3-8

Toy Theaters **NEW**

Create the store, the stage, the puppets, and the play - all with recycled materials!

Cost: \$2 Week 2

Tourist for a Week

Join us as we explore local scenic areas the way that tourists do! We'll take pictures of our adventures (so cell phones are encouraged) and even send postcards home from our escapades. Some tourist destinations on our itinerary may include Cascade Falls, Interstate Park, Franconia Sculpture Park, and perhaps some fun playgrounds, too. Grab a friend and get ready to "travel" in our community!

Cost: FREE Weeks 1, 2, 3

Make a Handmade Journal **NEW**

Make a handmade journal and fill it with ideas!

Learn how to sew the binding of a handmade journal and fill it with your artsy imagination. Lots of sunshine, nature, and time outdoors included.

Cost: \$5 Week 1

Mad Scientist

This exciting Mad Science class will take you on a thrilling week-long adventure, filled with hands-on experiments, interactive activities, and mind-blowing discoveries. Each day focuses on a different theme, sparking curiosity and creativity while exploring science in a fun, engaging way.

Cost: \$20 Week 1

SAFETY COURSES

GRADES 3-8

Boater Safety

Wisconsin boating safety certification or out-of-state equivalent certification is required for operators born on or after Jan. 1, 1989. Anyone is eligible to take the class and receive a safety education completion certificate, however, courses are designed at a 5th-grade level or up. All students should bring their DNR number to class.

Cost: \$10 Week 1

ATV/Snowmobile Safety

Instruction emphasizes laws and regulations, ethics, personal safety and the proper use of all-terrain vehicles and snowmobiles. Students may take this course before their 12th birthday, but safety certification will not become valid until their birthdate. Students should bring their DNR number to class with them.

Cost: \$10 per certification (\$20 for both) Weeks 2 and 3

Hunter's Safety

*Must be at least 10 years old by December 31 to enroll, strongly recommended for students grade 6 and up as the written test is designed for ages 12+. Class size is limited to 12 per week.

Wisconsin DNR offers safety courses for students aged 10+ years old. In its age-old history, the hunting tradition in this state is strong. This course will focus on the traditions of safe hunting so long enjoyed by many generations. Students should bring their DNR number with them to
