

**SCHOOL DISTRICT OF ST. CROIX FALLS  
TITLE I PARENT INVOLVEMENT ACTIVITIES  
342.5 RULE**

The following is a policy written by the School District of St. Croix Falls to ensure that parents of the children being served in the Title I program have had and will have an adequate opportunity to participate in the design and implementation of the District's Title I project.

- In the School District of St. Croix Falls it is understood that parents are important in the education of their children. To that end, it will be imperative that an annual meeting be conducted in which the parents of eligible Title I students be invited to participate.
- In addition to the above requirement, our School District will offer the following activities as part of a total Title I project:
  1. Notify each child's parents in a timely manner that the child has been selected to participate in Title I and why the child has been selected
  2. Inform each child's parents of the instructional goals for the child
  3. Report to each child's parents on the child's progress
  4. Establish conferences between individual parents and teachers
  5. Provide materials and suggestions to parents and teachers
  6. Provide materials and suggestions to parents to help them promote the education of their children
  7. Solicit parents' suggestions in the planning, developing and operation of the program
  8. Facilitate volunteer participation by parents in school activities
  9. Discuss with parents about how the school can work with parents to achieve the program's objective
