District Goals

Goal 1

The District will improve teaching by all staff through feedback with regular, consistent, and meaningful evaluations.

Goal 2

The District will provide students with curriculum, instruction, and assessments that go beyond the state standards.

Goal 3

The District will promote the health and wellness of all of its students and staff.

Goal 4

The District will continue to evaluate needs of all of its facilities.

Goal 5

The District will continue to contain expenditures and increase the cost effectiveness of operation.

Goal 6

The District will promote open and honest communication, pride, and involvement to improve the morale, trust, and spirits of all stakeholders, as we work toward the improvement of teaching and learning which will enable all students to achieve their highest standard of performance.
