

# 2025 St. Croix Falls Softball Registration Form

Our program recognizes that softball is a unique game and that each position on the field requires individual players to have a specific set of skills and situational knowledge. These skill sets and knowledge will help a player be successful while benefiting the team as a whole. The mission of this program is to create lifelong lovers of the game while teaching how teamwork and effort create success.

## **Practices**

Practice will start at the beginning of May, with a time that will be determined by the coaches. All players are required to be at practice, and if they cannot attend, inform the coach before their absence. Practices will be Monday through Thursday each week.

## **League and Tournaments**

The program is a part of the Northwest Wisconsin Youth Softball League. This league features teams in the Lakeland Conference and the Heart of the North Conference. Schedules for each level will be released in the middle of April. Each level will participate in a tournament put on by the league. The 7th/8th level tournament will be in Shell Lake, the 5th/6th tournament will be in SCF, and the 3rd/4th tournament will be in Hayward. The exact dates will be out at the same time as the schedule.
